The Prisoner Support Working Group of Occupy Wall Street answers Occupy Oakland's call to action and march in solidarity with the Pelican Bay hunger strike, with brothers and sisters who are dispossessed by the criminal INJUSTICE system, and with political prisoners everywhere.

The Prison Industrial Complex =
CAPITALISM ON STERIODS

Mass incarceration is the new Jim Crow. Between 1970 and 1995, the jailing of African Americans increased seven fold. African Americans make up 12% of the U.S. population—and 53% of the nation's prison population. There are more African Americans enslaved under correctional control today—in prison or jail; on probation or parole—than there were in 1850.
